OPEN GRATE CLAIMS CHILD

Virginia Hart was warming hands when her dress caught fire.

BROTHER EXTINGUISHED FLAMES

An accident that shocked and grieved the entire community occurred Wednesday night about 6:30 o'clock when the clothing of three-year-old Virginia Hart caught on fire from an open grate and she was so badly burned that death came at 11 o'clock.

Mrs. Hart and the children had been visiting the home of a neighbor, and on returning, she and her boy, T. C., Jr., stopped at the front gate a few moments in conversation with Mrs. R. L. Fenwick.

Little Virginia ran on ahead into the house and was evidently trying to warm her hands at the grate when her dress caught fire and in a moment was in flames. T. C. Jr., saw the reflection of the fire through a window, and thinking his sister had a newspaper in the grate, ran in to prevent her from playing in the fire and found her clothing a mass of flames. He then ran for a pan of water and poured it on his sister extinguishing the flame. By this time Mrs. Hart came in the room but the little one was so badly burned it was impossible to do anything for her.

Everything possible was done that could be. Dr. Sisk was hurriedly sent for, neighbors rushed to her assistance, kind and willing friends offered their services but the Death Angel had called and little Virginia soon passed from this earth to Heaven.

Mr. Hart was telegraphed for and reached home shortly before the child's death.

The burial took place yesterday afternoon in the Earlinton cemetery at 3 o'clock in the presence of a large number of friends. The bereaved family have the deepest sympathy of the entire community in their loss.

Thus over a happy home the shadow of a little grave has fallen and as only the father and mother know it is wonderful what a long, long shadow a very little grave can throw. This beautiful baby life was so precious, so fraught with blessings to her parents that she seemed flower of paradise permitted to bloom for a brief season by their side and then recalled for some good purpose to her Heavenly home, when the messenger from the unseen world came to claim this dainty darling as his own.

When we see a precious blossom
That we tended with such care
Rude taken from our bosom
How our aching hearts despoil!

Round her little grave we linger,
Till the setting sun is low;
Feeling all our hopes have perished
With the babe we cherished so.

Virginia sleeps, but not forever,
There will be a glorious dawn.
And we shall meet to part no, never,
On the resurrection morn.

RAILROAD MEN JOIN G. O. P. CLUB

Brotherhood Members Hear Denunciation of Wilson for "Meddling"

Princeton, Ind., Oct. 12.—One hundred and thirty Princeton railroad and shop men within a few minutes last night pledged themselves to Hughes and a protective tariff, when, in a rousing meeting of Southern railroad employees in Haen's Hill here, Railroad Men's Republican Club was organized with L. P. Salomon as president. Many others will join. The meeting was a revelation to those who believed the so-called eight hour law had drawn all railroad men's support to President Wilson.

The feature of the big meeting was an address by James D. Ryan, secretary-treasurer of the local Order of Railway Conductors and one of the oldest organizers of that order in the country in point of service. Until two weeks ago Mr. Ryan was for Wilson; he had expressed the belief that he felt he must support him. Last night Mr. Ryan told why he was against Wilson and could not support him and why he believed he deserved the condemnation of every brotherhood man.

SEVENTH GRADE HAS BACON FRY

In the Walnut Grove on the Banks of Beautiful Loch Mary

Miss Stanley and the Seventh grade enjoyed a bacon fry Tuesday afternoon in the walnut grove. The young folks romped and played games until supper time and then made a big camp fire and fried bacon and baked potatoes and ate until they could hold no more.

Watt Sisk Badly Injured

Watt Sisk had his hand badly injured while at Hanna's machine works yesterday. He was fooling with a drilling machine and his coat sleeve caught some way and pulled his hand under the drill cutting the flesh from between his thumb and forefinger and also from the opposite side of his hand. He was rushed to the St. Bernard Hospital as soon as possible where the injured member was dressed. He is at present in the hospital and is getting along nicely.

EXTRAORDINARY SITUATION

Calls Forth the Following Statement to Newspaper Readers

TO THE NEWSPAPER READERS OF KENTUCKY:

The Executive Committee of the Kentucky Press Association wishes to bring to the attention of newspaper readers, and the friends of the press, the serious situation confronting the publishers at this time, and point out some facts which we feel should be communicated to you in our attempt to meet conditions recently thrust upon us. We do this after much thought on the matter, feeling that we are acting for the good of both publisher and reader. Doubtless you have been or will be called upon to pay a few cents more on your jobwork, and in some instances more for your paper and advertising in cases where subscriptions and advertising rates have been at the minimum.

In the interest of a free press we ask you to meet the advance cheerfully.

There may be ample excuse, slight excuse or no excuse to advance the prices on us as they have been advanced, but the fact remains that we are paying from 50 to 500 per cent. more for our paper stock, inks, oils, gasoline metal, etc., than we did eight months ago.

Paper makers insist there must be a cutting down in the demand upon them; that they are working three shifts a day and that at this season of the year when they should be accumulating a reserve stock, they cannot supply the demand. Large publishers everywhere are trying to meet the suggestion of the paper makers by the strictest economy, in which they are cutting down the size of paper, margins and granting no return of unsold papers. Small publishers have slight opportunity to economize in this manner. The Federal Trade Commission is deeply concerned and alarmed but so far seem powerless to suggest feasible or adequate relief methods. Under existing circumstances few newspapers can continue long without a readjustment. Hundreds of the weaker ones have already gone under and many more are about to suspend.

There is a remedy and it lies in the strictest economy, advancement of rates on job work, advertising and subscription. It matters not how reluctant publishers are to do this, it will have to be done if they continue in business, and continue to be useful to their readers and patrons.

In conclusion, we call on all persons who believe in the mission of a free press to co-operate with us in adjusting our business to these new and unheard of conditions.

THE EXECUTIVE COMMITTEE
Of the Kentucky Press Association.

P. S. Since the above statement was prepared we note that a number of press associations have prepared similar statements to the public.

Central Coal and Iron Head Says He Will Never Recognize Workers

Central City, Oct. 10.—Members of the United Mine Workers reported for work at the Central Coal & Iron Company's mine this morning, and were refused admission to the mine by President S. J. Gish. They were told that the United Mine Workers of America would never be recognized again by him and that the only way that they could get employment now was to join the Southern Miners Association. This they refused to do and left the mines.

Members of the new organization are in the mines making coal for tomorrow's run. W. O. Smith, international organizer of the United Mine Workers of America, has called a meeting of the local union for this afternoon, the purpose of which has not yet been ascertained. Tuberculosis Fatal To Mrs. Howell

Mrs. Anna Howell, aged 53 years, died at 11:30 o'clock Thursday morning after a lingering illness of tuberculosis. She is survived by her husband, W. N. Howell, and the following children: Mesdames Agnes Nance, Bisbee, Ariz.; Bessie Crabtree, Madisonville; Carrie DeMoss, Hanson; Elgie DeMoss and Dempsey Howell, Vandetta; Mrs. Chas. L. Pierce, Miss Leonard Howell, Sawyers and Denver Howell, all of this city.

The body will be taken to Hanson today. Rev. Johnson, of Hanson, is to conduct the funeral services. Interment will be in the New Providence cemetery this afternoon.

The man who does not take home paper misses three-fourths of what is going on in his home community. He must either borrow the paper from his neighbor and be considered a tight wad and a nuisance, or he must be content to learn a little and know less. This paper costs but \$1.00 a year, and is worth ten times that amount to any person.

PROMINENT PEOPLE WED

Miss Margaret Atkinson, of This City, and John Street Married

QUIET HOME WEDDING

Yesterday afternoon at the home of the bride's parents on Main street Miss Margaret Atkinson, the lovely daughter of Mr. and Mrs. Geo. C. Atkinson, was united in marriage to Mr. John Street, of Cadiz, Ky.

It was a quiet home wedding, the only guests present being relatives of the bride and groom. Rev. Howard J. Brazton, of Mayfield, who was for a number of years pastor of the Christian church of this city, officiated in his usual impressive manner. The spacious home of the ATKINSONS was artistically decorated for the occasion, being transforming into a scene of unusual beauty and elegance. The bride wore an exquisite traveling suit and hat and came in with her father. The groom was dressed in the conventional black and came in with his brother, Thomas Street.

After the ceremony a bounteous wedding supper was spread for the happy couple and their guests.

Miss Margaret is the youngest and a most attractive daughter of Mr. and Mrs. George C. Atkinson, who by her charming manner and delightful personality is known and loved by a large circle of friends. The groom is a young man of unusual ability and worth, being one of the leading bankers of his home town where he has the confidence and respect of all who know him.

The bride and groom left last night on the Dixie Flyer for Chicago and other points where they will spend their honeymoon. After their return they will make their home in Cadiz.

The guests present were: Mr. and Mrs. Edward Street, Misses Mary and Frances Street, Mrs. Mary G. Street, Miss Mary Grinner, Miss Gertrude Orenshaw, Miss Georgia Alexander, Thos. Street, Clarence Street, all of Cadiz; Mrs. Ida Walker, of Madisonville; Fritz Hall, of Nashville; Mr. and Mrs. Newell Aldford, Mr. and Mrs. Frank D. Rash and son, Dillman, Paul M. Moore and son, Paul Moore, Jr., and Mr. and Mrs. Y. Q. Walker, of this city.

Ollie James Speaks In Madisonville Oct. 17

Rev. J. L. Burton

To Begin Revival

Rev. J. L. Burton, pastor of the M. E. church, will begin a series of meetings at the local church Sunday night. There will be good music, and as Rev. Burton is a strong and forceful preacher, large crowds will likely attend the services. The public is invited to come to the revival.

ANNOUNCEMENTS

For Congress

Hon. William T. Fowler
We are authorized to announce
Hon. William T. Fowler, of Christian
County, as Republican candidate
for Congress from the Second
Congressional District, subject to
the action of the voters at the general
election to be held Tuesday,
November 7, 1916.

CARD OF THANKS

We wish to express from the depths of our hearts our sincere gratitude to the dear neighbors and friends who so unselfishly ministered to us during the recent death of our little Virginia. We assure them they have ever earned for themselves a tender spot in our hearts and memories. We also desire to thank all who contributed the beautiful floral offerings. They were indeed lovely and nothing could have been more appreciated.

Mr. and Mrs. T. C. Hart.

Grave Defect in Military System.
During our Mexican war under Gen. Winfield Scott 104,000 troops were employed, and only 12,000 of this number were of the militia. Scott was much handicapped, however, by the custom of short enlistments, and the total absence of system pertaining thereto. The commander learned on reaching Tlalco that seven of his eleven regiments had decided to terminate their services at the end of the year, a problem that was only solved by the lack of vitality of the Mexican forces.

Cutting Wide Slots With Hacksaw.
Mechanics frequently find it necessary to cut slots in metal with a hacksaw. When wide slots are required, so that a single cut from a blade will not make them, two or more blades may be placed together and a wider cut made. If the pins, over which the blades are hooked, are straightened slightly they will hold several blades with a uniform tension.—Popular Mechanics Magazine.

You will be making many purchases for yourself and your family for fall and winter purposes and for the Christmas time. There is always some merchant in town who will do a little better by you than anybody else. When a merchant is able to do this he is keen to advertise and let the people know just what he can and will do. Your own cue is to read carefully each week the advertisements in this paper. They tell the story and the name of the merchant who makes the story. Read the ads.

Peculiar Russian Dish.

One of the national dishes of Russia is known as the Pashka. It is a sort of cake that stands one and a half feet high, and is always put on a tall base. It is usually surmounted by a sugar cross, and is placed in the center of the table when the Russians hold their great feast of Easter when the fast is broken. It takes about 60 eggs to make the Pashka, but none but natives can succeed in producing the rare taste.

UGH! CALOMEL MAKES YOU DEATHLY SICK

Stop Using Dangerous Drug
Before it Salivates You!
It's Horrible!

You're bilious, sluggish, constipated and believe you need vile, dangerous calomel to start your liver and clean your bowels. Here's my guarantee! Ask your druggist for a 50 cent bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day's work. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling great. It's perfectly harmless, so give it to your children any time. If it can't salivate, so let them eat anything afterwards.

If you can't speak well of this toner, at least don't speak at all.

Silence is golden, especially when your alibi is not satisfactory to your wife.

TANLAC, THE GREAT NEW MEDICINE, SWEEPS OVER NATION: MERIT WINS AND MULTITUDES GIVE IT PRAISE

"Made Me Younger"—"Put Me Back on the Payroll"—"Gave Me New Life"—In the Thousands of Endorsements Given Master Medicine

This is Tanlac Week.

More than seven million five hundred thousand bottles of Tanlac have been sold in the United States in the two years since the first bottle was sold.

That fact alone is sufficient explanation why Tanlac Week should now be celebrated in cities throughout the United States. The tremendous and unprecedented success of Tanlac could not have been achieved without true merit. The 8,000 druggists who are giving Tanlac their renewed endorsements by special displays this week know that they have behind them the unqualified endorsement of Tanlac by millions of satisfied customers.

No other medicine has ever had the same success that Tanlac has won as a tonic, appetizer, invigorant and revitalizer. Its fame was instantaneous and it spread through the country until today it is known everywhere as the Master Medicine.

True Worth Explains Success

Tanlac's success is easily explained—true worth. The tens of thousands of men and women who have endorsed it praise it because they are grateful for the relief Tanlac has given them.

To suffer from sleeplessness, indigestion, nervousness, rheumatism, belching and bloating from gas; dizziness and biliousness; kidney and liver troubles, pains in the stomach, the back and the head for years, and then to get relief through a tonic that is pleasant to take, gentle and gradual in its results, renewing the appetite, aiding assimilation, and restoring health, vigor, ambition and strength, is enough to make people grateful.

Tens of thousands of people have said that Tanlac is the Master Medicine. Tanlac Week therefore means something to them.

Endorsements Are Remarkable

Some of the endorsements of Tanlac are remarkable. They show that taking Tanlac was a profitable investment for sick, weak, nervous, run-down men and women—profitable in more than one way. Some of the praise of Tanlac is in phrases that are written over and over.

"I feel like a new man"—"Tanlac has put me back on the payroll"—"I never lay off from my work since I took Tanlac"—"I do twice as much work as I used to"—"Tanlac has made me feel twenty years younger"—"I wake up in the morning feeling fine now."

Many women have written, "I have my natural color back since I took Tanlac"—"I feel like a girl again"—"My neighbors ask me what I have done to look so young and my answer is Tanlac"—"I feel like a different woman; my housework is a pleasure since I took Tanlac"—

Those are some of the expressions which tens of thousands of men and women have used, in statements praising Tanlac.

Tanlac Meets a Need

Prepared from secret formula, purely vegetable and absolutely free from mineral taint, Tanlac has met the need of a great reconstructive tonic to feed while it heals sick, sore stomachs; to promote digestion, aid assimilation, induce healthy and normal function of the digestive apparatus, and to build up health and strength in a natural way.

Throughout the vast world Nature has placed remedies for the healing of nations. In Tanlac the best of them are merged for a sensible, reliable remedy. In Tanlac nature offers the great natural remedy for the everyday ills from which millions of men and women suffer.

The ingredients or medicinal elements which make Tanlac come from far separated sections of the globe. It is as though nature, planting her gardens in every zone of the vast world, permitted man to select the best for compounding into a great remedy. Man has spared no expense or labor to get these best ingredients.

Now a Household Remedy

Roots, herbs and barks best suited to a great tonic are used in making of Tanlac. They are selected scientifically and blended with care. In order to insure a supply of them for Tanlac, The Cooper Medicine Company bought large amounts of certain ingredients. Ten tons of one ingredient were bought on one order.

Tanlac's success, starting so quickly, is lasting. It has become a household remedy and is in two million homes because it is the great medicine which Nature offers from her best products.

Millions of people know this and Tanlac therefore is praised everywhere as The National Tonic—the upbuilder of health strength through the stomach, blood and nerves.

25 CENTS DESTROYS YOUR DANDRUFF AND STOPS FALLING HAIR

Save Your Hair! Make it Thick, Wavy and Beautiful—Try This!

Thin, brittle, colorless and scraggly hair is mute evidence of a neglected scalp; of dandruff—that awful scurf.

There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—an any time—will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

TIRED OUT.

There's many a farmer's wife sits on the porch in the growing shadows of a summer evening, knowing to the full what it is to feel tired out; as if there was not another ounce of effort left in her. But she knows how

sound her slumber will be and how refreshed the morning will find her. That's the tiredness of a healthy woman. But it's another thing for the sick woman to feel tired out.

Rest only seems to increase her suffering. Just as in profound silence discord jars the ear more forcibly, so now that she has stopped moving about,

this tired woman feels more acutely the aching back and throbbing nerves.

Sick women, thousands of them right here in Kentucky, have been made well by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, heals inflammation and ulceration.

A strong, healthy woman instead of a tired and ailing one! Sounds like a miracle, doesn't it? But it isn't. It's only the ordinary, every-day work of Dr. Pierce's Favorite Prescription—just the work that it was made for.

It's a woman's medicine, carefully compounded for her by an experienced physician, and adapted to her delicate organism. It makes weak women strong, suffering women well.

In over a million homes they know

At some time every woman has had her coffee problem—"bad coffee, medium coffee, coffee that was never twice the same."

A million women have solved the problem by serving Arbuckles'. Get a package of Arbuckles' Coffee today and see why.

Everyone likes it. Morning after morning a million men praise it for its fine, full flavor. Women depend on it. In all these homes, it helps make breakfast a complete success.

Read what a few of these women say:

"I recommend Arbuckles' Coffee to my friends. I buy it all the time because it is better coffee."—Miss B., Mercer, Ky.

"I use Arbuckles' because it is stronger than 35c coffee, and Arbuckles' packages are full 16 oz."—Mrs. V., Coldwater, Kans.

There are hundreds of varieties of coffee grown. To get the result you want, the coffee itself must be right. Arbuckles' Coffee is. It is put up by Arbuckle Bros., the greatest coffee merchants in the world. They can give you greater value in coffee than anyone else. No wonder Arbuckles' is the most popular coffee in America today!

"I have been using Arbuckles' Coffee for years. I think it is the only coffee fit to drink."—Mrs. A. C. W., Lay, Colo.

"We have used Arbuckles' Coffee for ten years, and have not yet found its superior or equal."—Miss H., Bessemer, Ala.

"The finest cup of coffee I ever tasted!" Like these million other women you can have your husband say this. Isn't that satisfaction worth a little time and effort—wouldn't it be worth while even to make a special trip to the grocery store for a package of that fresh, full flavored coffee a million other men are enjoying?

Have it tomorrow. He will praise it morning after morning. When you serve Arbuckles' you will know why it has solved the coffee problem in over a million homes.

Best for Liver and Bowels,
 Bad Breath, Bad Colds,
 Sour Stomach

Get a 10 cent box.

Sick headache, biliousness, coated tongue, head and nose clogged-up with a cold—also traces this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, tastes of being cast out of the system is absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion

and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowel.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.

Of the people who buy goods on credit 40 per cent never pay in full 7 per cent never pay at all, and we don't know how many wish they could get out of paying.

AGED FARMER

Made Strong and Well by Vinol

This letter proves there is nothing equal to Vinol to create strength for weak, run-down conditions.

Vestal Centre, N. Y.—"I am a farmer 74 years of age and got into a weak, run-down condition as a result of the Grippe. Our druggist suggested Vinol to build me up and I noticed an improvement soon after taking it, and it has restored my strength so I can now do a good day's work. My wife has also taken Vinol for a run-down condition with splendid results." —H. W. LESTER.

Salt Mines Worth a Visit.
 The salt mines of the Maramaros-Sziget district have been worked for centuries and many Americans who have visited the deep galleries whose rock-crystal walls glitter as if studded with countless iridescent jewels as they reflect the rays of the electric lights. One of the most interesting mines is that of Ronaszek which contains a great subterranean salt lake having a depth of nearly 300 feet.

OUR SUITS

Impart the Style

Because this is so, we select our women's Suits from Master Makers. Men who have made a thorough study of women's fashions.

One can find here just the kind of suit that was designed for her particular type of figure—a garment that will fit her as nicely as though it were made to individual order. We would deem it a pleasure to show you the new styles received by this week's express.

In view of the increasing scarcity of material we suggest that you select your fall garments now while our assortments are so comprehensive.

The suits will attract you because of the popular length of jackets—some are knee length; some are shorter and a few are longer. Most of the jackets flare from the waist line. Many new clever sailor collar effects are noted. Fur trimming is in evidence and many other style features are noted.

Come this week and try them on and see for yourself if we are not showing the most up-to-date line of coats and suits in the city.

Every garment sold under a guarantee—no better garment for the money in the world.
